## Course Objectives:

Students will develop a greater understanding of the European perspective towards international affairs, defense and security issues – and how this differs from the American perspective. Despite having been devastated by the greatest conflict in the history of mankind, the Second World War, Europe has accomplished an impressive recovery over the past 60 years. Indeed, much of the world’s focus has remained on Europe since the end of the Cold War as it continues to solidify politically through the European Parliament, economically via the European Union (EU) and militarily with the North Atlantic Treaty Organization (NATO). America must now balance its international and economic policies with this enlarging European entity – a new dynamic with implications for global security.

## Course of Study:

The course will follow a series of 8 lectures with associated readings. Audio lectures (45 min approx length) and lecture slides will be available for download from the Canvas course webpage. These lectures are entitled:

1. History of Europe Since World War 2;
2. Understanding the EU;
3. Understanding NATO;
4. European Security Issues;
5. EU Foreign and Security Policy;
6. EU and NATO Enlargement Processes;
7. European Post-Cold War Security; and
8. Europeans, Change and the Future.

Excused absences are given for professor mandated activities or legally required activities such as emergencies or military assignments. It is the policy of the University to excuse absences of students that result from religious observances and to provide without penalty for the rescheduling of examinations and additional required class work that may fall on religious holidays. If you are obtaining financial assistance (TA, STAP, FA, VA, Scholarship, etc.) to pay all or part of your tuition cost, you must follow your funding agency/institution's policy regarding "I" (Incomplete) grades unless the timeline is longer than what the University policy allows then you must adhere to the University policy. Students who receive Financial Aid must resolve/complete any "I" (Incomplete) grades by the end of the term or he/she may be placed on "financial aid probation." If the "I" grade is not resolved/completed by the end of the following term, the student's Financial Aid may be suspended making the student ineligible for further Financial Aid.

Students are responsible for meeting the guidelines of Tuition Assistance and Veterans Assistance. See the education counselor at your local education center for a complete description of your TA or VA requirements.

### **Academic Integrity and Student Conduct**

Academic integrity means honesty and responsibility in scholarship. Academic assignments exist to help students learn; grades exist to show how fully this goal is attained. Therefore all work and all grades should result from the student's own understanding and effort.

Academic misconduct is any act which improperly affects the evaluation of a student's academic performance or achievement. Misconduct occurs when the student either knows or reasonably should know that the act constitutes misconduct. Academic misconduct includes: cheating and using unauthorized materials on examinations and other assignments; improper collaboration, submitting the same assignment for different classes (self-plagiarism); fabrication, forgery, alteration of documents, lying, etc...in order to obtain an academic advantage; assisting others in academic misconduct; attempting to commit academic misconduct; destruction of property, hacking, etc...; intimidation and interference with integrity process; and plagiarism. All students should review the Student's Guide to Academic Integrity at [http://integrity.ou.edu/students\\_guide.html](http://integrity.ou.edu/students_guide.html)

Students and faculty each have responsibility for maintaining an appropriate learning environment. All students should review policies regarding student conduct at <http://studentconduct.ou.edu/>
