

Jill Bush Raines has been employed at the University of Oklahoma for 25 years. She currently serves as the Assistant General Counsel and as the University's HIPAA Privacy Official. She holds a Juris Doctorate, Masters of Education, and Masters of Human Relations.

Jill directs and is responsible for the HIPAA Privacy compliance program for the University's Norman, Tulsa, and HSC campuses and advises Rogers State and Cameron Universities for their HIPAA compliance as well. She develops and coordinates the related HIPAA training and audit programs for faculty, staff, students, and trainees; develops and maintains the HIPAA forms, policies, and updates; and manages all investigations of HIPAA Privacy and Security incidents. Jill regularly speaks to groups on HIPAA topics and serves on several advisory boards that oversee HIPAA compliance.

Within the Office of Legal Counsel, Jill's responsibilities include advising on regulatory matters in areas including Environmental Health and Safety, Human Subjects Research, Animal Research, Ethics in Research, and Billing Compliance, as well as responding to inquiries from regulatory agencies. She also serves as assigned counsel to various campus areas such as the Office of Compliance and the Office of Research Administration.
